

To whom it may concern:

Hello my name is Reia Briggs-Connor I am the Director and Owner of PHUNK PHENOMENON a professional Dance company based in Boston, MA. I am writing this Reference for Jay White. Jay has been a part of our Company for several years. She is a beautiful and talented young lady. During her time as a Dancer for Phunk Phenomenon she has helped facilitate competition teams and choreographed routines for both our adult and teen companies. Jay's work ethic is superb, she is a people person and very creative. Jay has always loved acting, dance, and modeling. As the Director I can only wish all dancers would be as professional as she is. We are very excited to see her grow in the industry and succeed in any avenue she tries. Types of performances she has been a part of are concerts, corporate events, national/ international competitions, commercial and charity events. Jay will be an asset to any company or position that has the pleasure of working with her. Miss White is not only a pretty face; she is also an Intelligent, kind, and responsible human being. It has been a blessing to have had her in my life for this long and I look forward to the future.

Thank You,

Reia Briggs -Connor
